TO: Minerals File

FROM: Tom Munson, Reclamation Specialist *RM*

RE: Site Inspection, Industrial Minerals Inc., Snowflake 30-31 Project, S/027/048, Millard County, Utah

Date of Inspection: September 12, 2000
Time of Inspection: 1:30 p.m.
Conditions: Sunny
Participants: Larry Garahana, BLM; Tom Munson, DOGM

Purpose of Inspection: To inspect the site while in the area

We stopped at Industrial Minerals Inc.'s site that has a notice of BLM noncompliance to Keith Carpenter, UTU-070722. There is a pit approximately 10' x 12' x 8' deep with a total disturbed area of approximately 40 x 60 feet. Photos were taken of the site.

There is another disturbance which is also attributed to Keith Carpenter that is not reclaimed as well.
